## **Preaching** in the Acts of the Apostles

- Scan read through the book of the Acts and note passages where the Apostles preached the gospel.
- Christ. What did they preach about Christ? How did they refer to Him? Is the emphasis on His life, death, resurrection or exaltation?
- Responsibility. What did the Apostles call upon their listeners to do in response to the preaching?
- **Blessing**. What were the promised blessings for those who heeded the preaching?
- Further response. Does Scripture say anything about the subsequent actions of these new believers?
